# Tamar Omsarashvili

Assistant showroom manager at Peloton Interactive  
Freiburg, Baden-Württemberg, Germany

## Summary

Professionalism, flexibility, reliability and going to the extra mile for both clients and colleagues best describe the way I work - independently, as well as in a team.

Working under stressful circumstances is not an issue and I can easily multi-task, making sure all required deadlines and targets are met.

Strong motivation, ability to adapt to any situation, fast learning and no 9 to 5 mentality are some of my main characteristics.
